**Harpreet Singh Nibber
Managing Director**

Date: 29/08/2020

Place: Mohali

Notes:

- 1) Explanatory statement pursuant to sub-section (1) of Section (102) is annexed to the Notice.
- 2) **A member entitled to attend and vote at the meeting is entitled to appoint proxy/proxies to attend and vote instead of himself and the proxy need not be a member of the Company.**
- 3) A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company.
- 4) In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed, for conducting its Annual General Meeting with physical presence of members after following the advisories issued from authorities.
- 5) Corporate Members intending to send their authorised representatives to attend the AGM, pursuant to Section 113 of the Companies Act, 2013, are requested to send to the Company, a certified copy of relevant Board Resolution together with the respective specimen signatures of those representative(s) authorised under the said resolution to attend and vote on their behalf at the meeting. They can also send the copy of the said Resolution/Authorization to the Scrutinizer by email through its registered email address to sikkasushil@gmail.com with a copy marked to evoting@nsdl.co.in.
- 6) Members are requested to claim dividends for the year ended 31st March, 2018 and 31st March, 2019 that remain unclaimed by corresponding with the Registrar and Share Transfer Agents. Members are requested to note that dividends that are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will, as per Section 124 of the Companies Act 2013, be transferred to the Investor Education and Protection Fund (IEPF). The detail of Unclaimed Dividend is available on the website of the company at <http://www.pritikaautoindustries.com/investors.html>.
- 7) Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members.
- 8) The members whose bank particulars are not updated with their Depositories are requested to update their details.
- 9) The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members at the AGM. All documents referred to in the Notice will also be available for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 29, 2020.
- 10) The Register of Members and Share Transfer Register in respect of equity shares of the Company will remain closed from 23rd day of September 2020 to 29th day of September, 2020 (both days inclusive).
- 11) In furtherance of Green Initiative in Corporate Governance by Ministry of Corporate Affairs, the Shareholders are requested to register their email id with the Company or with the Registrar and Transfer Agents.
- 12) The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. A Proxy form is sent herewith.
- 13) Members/Proxies are requested to produce the attendance slip duly signed, sent along with the Annual Report and Accounts, for admission to the meeting hall.
- 14) Members holding shares in dematerialized form are requested to bring their Client ID and DP ID numbers for easy identification.
- 15) Members who are holding shares in identical order or names in more than one folio are requested to write to the Company to enable the Company to consolidate their holdings in one folio.

16) Members whose shareholding is in the electronic mode are requested to direct change of address notifications and updation of Savings Bank Account details to their respective Depository Participants.

17) Members are requested to kindly notify changes including email address, if any, in their address to the R & T Agent of the Company, Satellite Corporate Services Pvt. Ltd. situated at Office no.106 & 107, Dattani Plaza, East West Compound, Andheri Kurla Road, Safedpul, Sakinaka- Mumbai-400072. Website: www.satellitecorporate.com. Phone no.022-28520461, 022-28520462, e-mail: info@satellitecorporate.com.

18) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. The Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. The members holding shares in physical form are requested to submit their PAN and Bank Details (copy of PAN Card and original cancelled cheque leaf/attested copy of bank pass book showing name of account holder) to the RTA.

SEBI by amendment to Regulation 40 of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 has mandated transfer of securities in dematerialized form only, w.e.f. 01.04.2019. In view of this and to eliminate all risks associated with physical shares, members holding shares in physical form are requested to consider converting their holdings to dematerialized form.

19) Members seeking any information or clarification on the Annual Report are requested to write to the company at least ten days in advance from the date of Annual General Meeting, so as to enable the company to compile the information and provide replies at the meeting.

20) Pursuant to the prohibition imposed vide Secretarial Standards on General Meetings (SS2) issued by ICSI and MCA Circular, no gifts/coupons shall be distributed at the meeting.

21) In compliance with the MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company's website www.pritikaautoindustries.com websites of BSE Limited at www.bseindia.com, and on the website of NSDL at <https://www.evoting.nsdl.com>. Even after e-communication, members are entitled to receive copy of Notice of AGM and Annual Report 2019-20 in physical form, upon making a request for the same, by post free of cost. The Shareholders may send requests to the Company's investor email id: compliance@pritikaautoindustries.com for the same.

22) Adopting green initiatives, copies of the Annual Reports and Accounts will not be distributed at the Meeting.

23) Additional information on director recommended for appointment/reappointment as required under Regulation 36 of the Listing Regulations

- Mr. Raminder Singh Nibber aged 79 years, is a Mechanical Engineer. He has more than 54 years of experience in the industry. He is the founder of the group and is serving as the Chairman of the company. He has extensive knowledge of company's operations. He has been awarded Udyog Patra for Self Made Industrialists by the Institute of Trade and Industrial Development.

Disclosure of relationship between directors inter-se: He is father of Mr. Harpreet Singh Nibber, Managing Director.

Mr. Raminder Singh Nibber does not hold directorship or membership of committees of the board in any other listed entity.

He is holding 1171182 shares of the company.

- Mr. Subramaniam Bala aged 69 years is a diploma holder with extensive technical experience in the field of foundry development. He has 44 years of experience in development of castings, patterns and establishment of foundries. He started his career as an inspector for castings and patterns and with his hard work and capability rose to the position of Head of Foundry development and Director Technical. He is presently working as a Foundry Consultant.

Disclosure of relationship between directors inter-se: He is not related to any director or Key Managerial Personnel of the company.

Mr. Subramaniam Bala does not hold directorship or membership of committees of the board in any other listed entity.

He is not holding any shares in the company.

24) Voting through electronic means:

A. Pursuant to Section 108 of the Companies Act, 2013, read with the relevant Rules of the Act and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means and the business is to be transacted through such voting.

B. The facility for voting through ballot paper shall also be made available at the meeting and members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their right at the meeting. A member can opt only for one mode of voting i.e either through e-voting or by Ballot. If a Member casts vote by both modes, then voting done through e-voting shall prevail and Ballot shall be treated as invalid.

C. A member may participate in the meeting even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the meeting.

D. The Members may refer to the detailed procedure on e- voting given hereinafter:

The procedure to login to e-Voting website consists of two steps as detailed hereunder:

Step 1: Log-in to NSDL e-Voting system

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/>.

2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.

3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details will be as per details given below :

a. For Members who hold shares in demat account with NSDL: 8 Character DP ID followed by 8 Digit Client ID (For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****).

b. For Members who hold shares in demat account with CDSL: 16 Digit Beneficiary ID (For example if your Beneficiary ID is 12***** then your user ID is 12*****).

c. For Members holding shares in Physical Form: EVEN Number followed by Folio Number registered with the company (For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***).

5. Your password details are given below:

a. If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

b. If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

c. How to retrieve your 'initial password'?

i. If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox.

Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

- ii. If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a. Click on "Forgot User Details/Password?"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b. "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c. If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d. Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system:

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of the Company.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

Other Instructions

In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the Downloads section of www.evoting.nsdl.com

If you are already registered with NSDL for e-voting then you can use your existing user ID and password/PIN for casting your vote.

You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).

The remote e-voting period will commence at 9.00 a.m. on 25th September, 2020 and will end at 5.00 p.m. on 28th September, 2020. During this period Shareholders' of the Company, holding shares either in physical form or in

dematerialized form, as on the cut-off date of 22nd September, 2020, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Shareholder, the Shareholder shall not be allowed to change it subsequently.

The Members, whose names appear in the Register of Members/list of Beneficial Owners as on 22nd day of September, 2020, are entitled to vote on the Resolutions set forth in this Notice. The voting rights of Shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 22nd September, 2020.

Any person, who acquires shares of the Company and becomes member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. 22nd September, 2020 may obtain the login ID and password by sending an email to compliance@pratikaautoindustries.com or evoting@nsdl.co.in or info@satellitecorporate.com by mentioning their Folio No./DPID and Client ID No. However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote. If you forget your password, you can reset your password by using "Forget User Details/Password" option available on www.evoting.nsdl.com.

Mr. Sushil K Sikka, Practicing Company Secretary has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

The Scrutinizer shall, immediately after the conclusion of voting at general meeting, count the votes cast at the meeting, there after unblock the votes cast through remote e-voting in the presence of atleast two witnesses not in the employment of the Company. Scrutinizer shall within 2 days of conclusion of the meeting submit a consolidated scrutinizer report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing.

The results alongwith the Scrutinizers Report shall be placed on the website of the Company and shall be communicated to Stock Exchanges where the shares of the Company are listed.

All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours on all working days, up to and including the date of the Annual General Meeting of the Company.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4

Ratification of remuneration of Cost Auditor

The Board, on the recommendation of the Audit Committee, has approved the appointment of M/s. Khushwinder Kumar & Co., Cost Accountants as Cost Auditor of the Company for the financial year ending on 31 March 2021, to conduct audit of cost accounting records of the Company as may be required for cost audit under the Companies Act, 2013, and Rules made there under, at a remuneration of ` Rs. 65,000 /-, and applicable taxes and out of pocket expenses, if any.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration proposed to be paid to the Cost Auditor is required to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out in the Notice for ratification of the remuneration payable to the Cost Auditors. None of the Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution. The Board has recommended the approval of said item by the members of the company by Ordinary Resolution.

Item No. 5

Appointment of Independent Director

The Board of Directors of the Company in their meeting held on 29th August, 2020 have appointed Mr. Subramaniyam Bala as an Additional Director in the category of Independent Director of the Company to hold office for a period of one year, not liable to retire by rotation, subject to consent by the Members of the Company at the ensuing Annual General Meeting ("AGM").

As an Additional Director, Mr. Subramaniyam Bala holds office till the date of the AGM and is eligible for being appointed as an Independent Director. The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 (the "Act") from a Member signifying his intention to propose the appointment of Mr. Subramaniyam Bala as a Director of the Company.

The Company has also received a declaration from Mr. Subramaniyam Bala confirming that he meets the criteria of independence as prescribed under the Act and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Mr. Subramaniyam Bala is also not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director of the Company. In the opinion of the Board, Mr. Subramaniyam Bala fulfils the conditions for his appointment as an Independent Director as specified in the Act and the Listing Regulations and he is independent of the management.

Mr. Subramaniyam Bala (DIN: 00461697) aged 69 years is a Diploma holder with technical expertise and 44 years of experience in Foundry development. He has been engaged in designing of methods & development of castings as well as establishment of foundry units. He has served as director on the Board of various companies for 18 years. Mr. Subramaniyam Bala is not related to any other Director and Key Managerial Personnel of the Company.

None of the Directors, Key Managerial Personnel and their relatives, except Mr. Subramaniyam Bala are in any way, concerned or interested in the said resolution.

The Board has recommended the approval of said item by the members of the company by Ordinary Resolution.

Chairman's Message to Shareholders

Our Company has been resilient through the industry-wide slowdown during this financial year. The headwinds in the automotive sector impacted all players in the value-chain, from OEMs to tier-2 suppliers. The situation worsened in the last quarter with the outbreak of COVID-19, leading to temporary suspension of operations. Our consolidated revenue for this financial year stood at Rs. 167.95 crore, while EBITDA and PAT were reported at Rs. 22.48 crore and Rs. 5.58 crore, respectively. Despite the sluggish market scenario, we improved our realizations per ton.

The outbreak of the COVID-19 pandemic brought the entire economy to a standstill, impacting all industries and lives. While our operations were temporarily suspended, we retained all our workforce at full salaries. As the economy gradually opens up, we expect a buoyant outlook for the tractor market, backed by a good monsoon and growth in agriculture.

This financial year witnessed our foray into international markets in the form of our first export order from a multi-national conglomerate in the US. Our regular participation in 'Agritecnica', a Germany-based trade fair for agricultural equipment, gave us visibility in the foreign markets and fructified into this export order. The order was for casted products for use in material handling applications, thereby expanding our reach beyond the tractor and commercial vehicle sectors. Client satisfaction was testified by a repeat order from the same US-based company for a much larger value. Together, our export orders were worth USD 2 million. This reflects our consistent quality and on-time delivery that has earned us the trust of international clients. A potential growth in our export business is also likely to reduce our exposure to any volatility in the domestic automotive sector.

We also completed orders on time from several clients this year. We expect the domestic automotive market to start easing out in the coming financial year and consequently, demand to recover. This, coupled with our export business and continuous improvement in operational efficiencies, should help us regain momentum and improve profitability going forward. We are poised to capture new opportunities as they arise in terms of our production capacities.

I would like to thank the entire team of Pritika Auto for their untiring efforts, hard work and dedication, as well as all the stakeholders for their undeterred faith in our Company, which motivates us to set and achieve higher benchmarks.

Raminder Singh Nibber
Chairman

DIRECTOR'S REPORT

Dear Shareholders,

The Directors have pleasure in presenting their 40th Annual Report on the business and operations together with the Audited Statement of Accounts of the Company for the year ended 31st March, 2020.

Tax Expenses	206.72	349.46	208.09	351.75
Profit after Tax	544.07	1404.57	557.85	1412.14
Other Comprehensive Income	33.12	-	61.24	-
Total Comprehensive Income	577.19	1404.57	619.09	1412.14
EPS- Basic	3.07	7.98	3.15	8.03
Diluted	3.04	7.97	3.12	8.01

The Standalone Revenue from the operations (net) for the Financial Year 2019-20 was Rs. 14903.03 (Previous Year Rs.19515.93 lac). The company earned Net Profit of Rs. 544.07 lac (Previous Year Rs. 1404.57 lac).The Total Comprehensive Income for the year was Rs.577.19 lac.

The Consolidated Revenue from the operations (net) for the Financial Year 2019-20 was Rs. 16795.18 lac (Previous Year Rs. 20971.20 lac). The company earned Consolidated Net Profit Rs. 557.85 lac (Previous Year Rs.1412.14 lac). The Consolidated Total Comprehensive Income for the year was Rs. 619.09 lac.

There was no change in the nature of business of the company during the year.

The previous year figures have been restated, rearranged, regrouped and consolidated, to enable comparability of the current year figures of accounts with the relative previous year's figures.

2. INDUSTRIAL SCENARIO

After forging ahead with strong double digit growth for three consecutive years, the domestic tractor industry suddenly lost steam in the financial year 2019-2020 due to sagging rural income, unpaid and discontinued subsidies and the simultaneous attack of corona virus. The Indian tractor market declined over 10 percent to about 709,002 units in the financial year 2019-2020, even lower than earlier expected drop of 5-7 percent.

In the month of March alone, the tractor sales volume in the domestic market plunged to 43 percent at 35,216 units against 62,315 units in the same month year ago. The last month was disrupted as business was hugely impacted by the lockdown just before the start of festive days in large parts of the country.

In the last month of FY 2020, the COVID-19 pandemic developed rapidly into a global crisis, forcing governments to enforce lock-downs of all economic activity. For the Company, the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption to services for all our customers. As the nature of business performed by the Company fell under non-essential category, the administrative offices, manufacturing units and plants were closed temporarily and the switch to work from home for employees, as far as practicable, was carried out. The Company has since, after receiving applicable permissions, partially commenced

operations in the second week of May, 2020.

Due to the escalated corona virus cases and extended lockdown, the first quarter was a complete washout.

Several positive factors including a good rabi output, opening of procurement centers by the government, indication of good crop prices, reservoir levels etc., augur well for tractor demand. The relief packages announced by the government will help bring in momentum for tractor sales, after the lockdown ends. Moreover, the budget's emphasis on doubling farmers' income by 2022, loan waivers and finance availability, as well as rising use of tractors in construction and other fields, would augur well for the production and sale of tractors going forward.

This year we are hoping for good monsoon weather and therefore expect the demand for tractors will see a spike whenever the situation settles in the second half year. The agriculture tractor market in India is expected to grow at a CAGR of 6.7% during 2019-2024.

3. SHARE CAPITAL

During the year under review, there was no change in the Share Capital of the company. As at March 31, 2020, the total paid-up share capital of the company stood at ₹ 1773.45 lacs divided into 17734500 equity shares of ₹ 10/- each.

During the previous year, the company had issued on preferential basis to non-promoter (public) category, 575000 convertible warrants at ₹ 200/- per warrant (paid-up ₹ 50/-), each warrant convertible into one equity share of ₹ 10/- each to be issued at a price of ₹ 200/- per share i.e. at a premium of ₹ 190/- per share. The last date to exercise entitlement for conversion of warrant and to apply for allotment of equity shares was 20/7/2020. The Allottees failed to apply for allotment of equity shares on conversion and to make the payment of balance amount of Rs. 150/- towards the subscription of each equity share within prescribed period of 18 months. Hence, the entitlement of warrant holders to apply for equity shares of the company along with the rights attached thereto expired and the amount paid on such warrants stands forfeited, pursuant to the provisions of SEBI (ICDR) Regulations, 2018.

4. DIVIDEND

Considering the financial results and to plough back surplus of the Company, the Board did not recommend payment of any dividend for the year ended 31st March, 2020.

5. TRANSFER TO RESERVE

During the financial year, there was no amount proposed to be transferred to the Reserves.

6. AUDITORS & AUDITORS' REPORT

M/s. Sunil Kumar Gupta & Co., Chartered Accountants, New Delhi were appointed as statutory auditors of the company for a period of five years in the 38th AGM i.e. till the conclusion of the 43rd Annual General Meeting to be held for the FY 2022-23.

The Auditors' Report for the fiscal 2020 does not contain any qualification, reservation or adverse remark. Further, in terms of section 143 of the Companies Act, 2013 read with Companies (Audit & Auditors) Rules, 2014, as amended, no fraud has been reported by the Auditors of the Company where they have reasons to believe that an offence involving fraud is being or has been committed against the company by officers or employees of the company.

7. DEPOSITS

The Company has not accepted any deposits within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014. Hence company need not to give details related to deposits. There is no non compliance of the provisions of Chapter V of the Companies Act 2013.

PRACTICING COMPANY SECRETARY'S CERTIFICATE ON CORPORATE GOVERNANCE

**To the Members of
Pritika Auto Industries Limited**

I have examined the compliance of the conditions of Corporate Governance by Pritika Auto Industries Limited for the year ended 31st March, 2020, as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations & Disclosures Requirements) Regulations, 2015 ("Listing Regulations") as referred to in Regulation 15(2) of the Listing Regulations (including any statutory modification(s) or enactment thereof for the time being in force).

The Compliance of conditions of Corporate Governance is the responsibility of the Management. My examination has been limited to a review of the procedures and implementations thereof adopted by the Company for ensuring the compliance of conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations, as applicable.

I further state that compliance is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

ANNEXURE D

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

A) Conservation of energy:

(i) The steps taken or impact on conservation of energy;

The Company is engaged in the castings and machining sector and is substantial energy consumer. The Company is taking all possible measures to conserve energy.

The Company has conducted Energy Audit through CII. The various recommendations suggested by CII like Compressed Air saving Improvement in Power Factor are under process.

Also the Company has initiated process of ISO 50001 (Energy Management System) Certification for continual improvement in the field of Energy Conservation.

The company has installed Runner Riser Cleaning machine which will consume low energy.

Unit-1 (Derabassi-Punjab)

a) The Company is taking all possible measures to conserve energy. The company has upgraded Automatic Power Factor Controller to improve the Power Factor. The company is using Sand Dryer to reduce diesel consumption. The employees are educated and made aware to save power.

The company has replaced Cupola Furnace with energy efficient Induction Furnace of (1000 kg. X 3nos.). It will give boost in energy saving as well quality improvement.

b) Manual grinding machine operations have been converted to chipping with chisel hammers resulting in less energy consumption.

c) The company is using LED lights/lamps in place of filaments bulbs/tubes to save energy.

Unit 2 (Bathri-Himachal Pradesh)

The company has upgraded Automatic Power Factor Controller to improve the Power Factor. Company has converted the Diesel Fire Sand Dryer & oven from diesel to LPG, which is cleaner & energy efficient. The company is continuously upgrading to CNC Machines from conventional machines which is better, efficient and more productive. The company has added six nos. of machines namely VTL, CNC and VMC. The company is educating and making the employees aware to save power.

The company has replaced 750 kg. crucible to 1000 kg. for the same energy and added two crucible of 1500 kg. resulting into increase in 5% output. High H.P. motors are replaced with low H.P. motors through changed gear train. Over rated motors have been replaced with 1000 H.P. motors.

The power supply from H.P. State Electricity Board will be at 11 KV and supplied to 33KV HT Line which resulted into reduction in Power Transmission Losses and fluctuation in the voltage has reduced.

To save heat energy, the liquid metal transfer ladle are covered with blankets. The company is using LED lights/lamps in place of filament bulbs/tubes and sodium/mercury lights.

The company has removed bottlenecks to improve the smooth operation of plant.

(ii) The steps taken by the Company for utilising alternate sources of energy;

The conventional Electric core ovens have been replaced with continuous oven operated through LPG/LNG, which has reduced energy consumption and improved efficiency of the equipments.

The company has installed Induction Furnace instead of Cupola, shifting from coal consumption to electric in Unit-1.

The company is drying up sand with natural sun heat in summer and manual grinding machine operations converted to chipping with diesel hammers resulting in less energy consumption in Unit-2.

iii) The capital investment on energy conservation equipments;

Although the company has acquired misc. energy equipments as and when required during the year. The investment made was not major and cannot be quantified.

(B) Technology absorption:

(i) The efforts made towards technology absorption;

The management keeps itself abreast of the adaptation and innovation technological advancements in the industry and ensures continued and sustained efforts towards absorption as well as development of the same to meet business needs and objectives. The company is going extensively on machine made core from conventional hand made.

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution;

The technological absorption has resulted in improvement, cost reduction, product development, improvement in services, import substitution, etc. However, the benefits derived from the technological advancements are not quantifiable.

The yield improved and weight reduction is on going to save energy to melt the metal which cannot be quantified.

In Unit-1, the company has started making briquetting of CI Boring resulting into Dense scrap to save energy and avoid wastage in shape of slag. The rejected core/sand mix being recycled by crushing to save new sand which is taken from mines.

In Unit-2, the company has made Yield improvement in SG Iron items to reduce the requirement of liquid metal, resulting into Net Energy Saving per kg. of castings.

(iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

The company has not absorbed any imported technology.

(a) the details of technology imported; Not applicable

(b) the year of import Not applicable

(c) whether the technology been fully absorbed; Not applicable

(d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof : Not applicable

(iv) The expenditure incurred on Research and Development.

The Company has not carried out any specific research and development activities during the year. As such expenditures on Research & Development cannot be quantified. The Management team visited different countries

to absorb the latest technologies to upgrade technology which are under consideration and hence cannot be quantified at this stage.

C. Foreign Exchange Earnings and Outgo

i. Earning- FOB value of Exports: Rs. 60.36 lacs

ii. Outgo- Foreign Travelling expenses: Rs. 4.17 lacs

ANNEXURE G
SECRETARIAL AUDIT REPORT
FORM NO. MR-3

For The Financial Year Ended March 31, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

PRITIKA AUTO INDUSTRIES LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Pritika Auto Industries Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Pritika Auto Industries Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31st March, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- 3) The Depositories Act, 2018 and the Regulations and bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- 6) The Company has complied with the following laws applicable specifically to the Company:
 - a) Hazardous Waste (Management & Handling) Rules 1989 under EP Act, 1986
 - b) Factories Act, 1948 and allied State Laws.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There is no change in the composition of the Board of Directors during the period under review.

Adequate notice is given to all the Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board meetings, as represented by management, were taken unanimously.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period

(i) The company got approval of its members by conducting Postal Ballot and e-voting, for entering into Material Related Party Transactions, by passing Ordinary Resolutions.

I further report that during the audit period, there were no instances of:

- (i) Public / Rights / Preferential Issue of Shares / Sweat Equity.
- (ii) Redemption / Buy-Back of Securities.
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013
- (iv) Merger / Amalgamation / Reconstruction etc.
- (v) Foreign Technical Collaborations.

MANAGEMENT DISCUSSION AND ANALYSIS

Forward looking statement

Statements in this Management Discussion and Analysis of Financial Condition and Results of Operations of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events.

The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company assumes no responsibility to publicly amend, modify or revise forward looking statements, on the basis of any subsequent developments, information or events. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include changes in government regulations, tax laws, economic developments within the country and such other factors globally.

The financial statements are prepared as per the IND AS guidelines and comply with the Accounting Standards notified under Section 211(3C) of the Act read with the Companies (Accounting Standards) Rules, 2015. The management of Pritika Auto Industries Limited has used estimates and judgments relating to the financial statements on a prudent and reasonable basis, in order that the financial statements, reflect in a true and fair manner, the state of affairs and profit for the year.

The following discussions on our financial condition and result of operations should be read together with our audited consolidated financial statements and the notes to these statements included in the annual report. Unless otherwise specified or the context otherwise requires, all references herein to "we", "us", "our", "the Company", "Pritika" are to Pritika Auto Industries Ltd.

ECONOMIC OVERVIEW

Indian Auto-Components Industry

The auto components industry in India has been growing over the past several years. Barring intermittent slowdowns such as that in 2019, the industry has grown at a CAGR of over 10% during the last decade to USD 56.52 billion in FY2019. Comparatively, the industry was worth USD 35 billion in 2014. Some of the factors driving investments in this sector include a large domestic market (rise in working population), a stable and supportive government framework and rising development in infrastructure. This sector alone accounts for about 2.3% of the country's GDP, driven by the automotive industry which is India's fourth largest industry.

The Indian auto-components industry can be broadly classified into the organized and unorganized sectors. The organized sector caters to the Original Equipment Manufacturers (OEMs) and comprises high-value precision instruments while the unorganized sector consists of low-valued products and caters mostly to the aftermarket category.

The Indian automotive industry witnessed a substantial slowdown during the previous year due to various factors including financing difficulties across the supply chain. However, this slowdown was partially offset by rise in exports. As per the Automobile Component Manufacturers Association (ACMA), exports in the auto components sector have grown at a CAGR of 8.34% during 2014-19, to USD 15.17 billion, and are further projected to reach USD 80 billion by 2026. India exports auto components to several parts of the world, the major markets being developed countries such as the US, Germany and the UK. Some of the important Asian markets for auto components include Sri Lanka, Bangladesh and Thailand.

ACMA forecasts the Indian auto components industry to register a turnover of USD 100 billion by 2020, backed by strong exports. This bodes well for the industry which has been under pressure since the last few quarters.

Indian Agriculture Industry - an overview

Agriculture plays a vital role in India's economy. It is the primary source of livelihood for about 58% of India's population. Agriculture, along with fisheries and forestry, are key contributors to the country's Gross Domestic Product (GDP). The Gross Value Added (GVA) by agriculture, forestry and fishing is estimated at INR 18.55 lakh crore (USD 265.51 billion) in FY2019.

During 2019 crop year, food grain production is estimated to have been 283.37 million tons. In 2019-20, Government of India is targeting food grain production of 291.1 million tons.

This growth is being driven by strong domestic demand (owing to rising population) as well as global exports. Total agricultural exports from India grew at a CAGR of 16.45% over FY2010-18 to reach USD 38.21 billion in FY2018, and further to USD 38.54 billion in FY2019. Spices, tea and coffee exports from India have also been on the rise during this period.

Consequently, investments into this sector have grown significantly. FDI into the Indian food processing sector in 2018-19 alone stood at USD 628.24 million. The industry has cumulatively attracted FDI inflow of about USD 9.41 billion between April 2000 and June 2019. For instance, Nestle recently announced plans to invest Rs. 700 crore to construct its ninth factory in Gujarat. Agri-food start-ups in India received funding worth USD 1.66 billion between 2013-17 in 558 deals.

The agriculture sector has also received significant support from the Government of India, some of the recent initiatives include:

- As per Union Budget 2020-21, allocation of Rs 2.83 lakh crore (USD 40.06 billion) was made for the Ministry of Agriculture. Ministry of Food Processing has been allocated Rs 1,233 crore (USD 176.42 million).
- In September 2019, the Prime Minister launched National Animal Disease Control Programme (NADCP), expected to eradicate certain diseases in livestock.
- In May 2019, NABARD announced an investment of Rs 700 crore (USD 100 million) venture capital fund for equity investments in agriculture and rural-focused start-ups
- In Budget 2019-20, Pradhan Mantri Samman Nidhi Yojana was introduced under which a minimum fixed pension of Rs. 3,000 would be provided to eligible small and marginal farmers, subject to certain exclusion clauses, after 60 years of age.
- As per the Union Budget 2019-20, the Central and State Governments would work together to allow farmers to benefit from e-NAM (electronic National Agriculture Market).
- Under the Pradhan Mantri Kisan Samman Nidhi Yojana (PM-Kisan), the PM disbursed Rs. 2,021 crore to over 10 million beneficiaries in February 2019.

- The government came out with a Transport and Marketing Assistance (TMA) scheme to provide financial assistance for transport and marketing of agriculture products to boost agriculture exports.

<https://www.ibef.org/industry/agriculture-presentation>

Indian Tractor Industry

The tractor industry, a part of the farm equipment market, has been growing significantly in India. Demand for tractors has risen in tandem with increasing mechanization in farming across India. As per industry estimates, the tractor market in India registers annual sales of 600,000 – 700,000 units on an average.

As per industry estimates, tractor sales in India are estimated to have grown 8-10% in 2019. Unit sales are expected to reach one million by mid of the next decade, growing at a CAGR of 6-7%. However, despite general productivity improvement in the agricultural sector, the overall industry may witness single digit growth in the near term.

As per statistics from the Tractor Manufacturers Association (TMA), tractor production and sales have grown over the first two months of 2020. Tractor production and sales stood at 69,280 and 64,937 units respectively in February 2020, a rise of 16.5% and ~20% year-on-year.

Overall, the industry is forecast to grow at a CAGR of 8-10% during 2017-22. A sustained focus by the government on the promotion of farmer welfare and rural development along with mechanization in agriculture would support this growth trajectory. Moreover, the budget's emphasis on doubling farmers' income by 2022, loan waivers and finance availability, as well as rising use of tractors in construction and other fields, would augur well for the production and sale of tractors going forward.

Government Initiatives

The Government of India's Automotive Mission Plan (AMP) 2006–2016 has come a long way in ensuring growth for the sector. The Indian Automobile industry is expected to achieve a turnover of USD 300 billion by 2026, and would grow at a CAGR of 15% from its current revenue of around USD 74 billion.

The Government has drafted the Automotive Mission Plan (AMP) 2016-26 which will help the automobile industry to grow and will benefit Indian economy in the following ways:

- Contribution of auto industry in the country's GDP will rise to over 12%
- More than 65 million jobs will be created
- End of Life Policy would be implemented for old vehicles

Crisil, IBEF, <https://www.ibef.org/industry/autocomponents-india.aspx>

About Pritika Auto Industries Ltd.

Pritika Auto Industries Ltd. is a flagship company of the Pritika Group of Industries which was set

up in 1974 by Mr. Raminder S. Nibber, manufacturing small forgings. Over the last four decades and under Mr. Nibber's visionary leadership, the Company has established itself as a robust and reliable brand in its market, specializing in machined castings and automotive components. A quality driven organization, Pritika produces world class components from modern facilities. The merger process of Pritika Autocast Ltd. and Nibber Castings Pvt. Ltd (Wholly owned subsidiaries of Pritika Auto Industries Ltd.) was approved by the Honorable NCLT bench, Chandigarh in February 2019. Pritika has manufacturing facilities situated at Derabassi and Hoshiarpur (Punjab), and Tahliwal (Himachal Pradesh) with a total capacity exceeding 50,000 metric tons per annum (MTPA) in FY19.

Catering primarily to tractors and commercial vehicles, Pritika focuses on expanding and diversifying its product portfolio. The Company manufactures a wide range of products such as axle housings, wheel housings, hydraulic lift housings, end cover, plate differential carrier, brake housings, cylinder blocks, and crank cases, among others. Pritika is one of the biggest component suppliers in the tractor segment of the automobile industry in India and supplies to OEMs like M&M Swaraj, Swaraj Engines Ltd, TAFE, Escorts, SML Isuzu, TMTL, Ashok Leyland, New Holland Tractors India Ltd., Brakes India etc., as well as exports casted products outside India. The Company's vision is to provide products which meet customer's quality requirement constantly at competitive prices.

CONSOLIDATED FINANCIAL OVERVIEW –

The consolidated performance of the Company for the financial year ended March 31, 2020, is as follows:

Total revenue from operations at Rs. 168.0 crore for the year ended March 31, 2020, as against Rs. 209.7 crore (net of taxes) for the corresponding previous period, a decrease of 19.9%, mainly on account of slowdown in automotive sector and the COVID-19 pandemic.

The EBIDTA (earnings before interest, depreciation and tax, excluding other income) was Rs. 21.0 crore for the year ended March 31, 2020, as against Rs. 30.2 crore for the corresponding previous period, an decrease of 30.5%.

The PAT (profit after tax) was Rs. 5.6 crore for the year ended March 31, 2020, as against Rs. 14.1 crore for the corresponding previous period, a decline of 60.5%.

EPS was at Rs. 3.15, YoY decline of 60.8% (8.03 in FY19).

RESOURCES AND LIQUIDITY

As on March 31, 2020, the consolidated net worth stood at Rs. 120.4 crore and the consolidated debt was at Rs. 64.1 crore.

The net debt to equity ratio of the Company stood at 0.51 as on March 31, 2020.

BUSINESS PERFORMANCE

Pritika registered a decline of 19.9% in revenue clocking a turnover of Rs. 168 cr in FY20. The Company produced 26,258 tons of machined casting during the year. About 92-93% of the revenue was contributed by the tractor components segment while the rest was from the commercial vehicle segment. With capacity in place, Pritika is focusing on higher production and

better utilization for financial year 2020-21. The Company is also adding high-value products and trying to improve operational efficiencies, while expanding export avenues.

The Company is dealing in single segment i.e. manufacturing of Auto Components/parts.

ACHIEVEMENTS IN BUSINESSES DURING THE YEAR:

- Pritika won its first export order for casted products from a US-based multi-national conglomerate. Upon completion of the first order, the Company received a repeat order of higher value from the same client, totaling USD 2 million.
- The Company won an order to supply critical parts for cylinder heads from a leading tractor manufacturer in India.
- Pritika won an incremental order from an existing large client, to supply rear axle housings.

KEY FINANCIAL RATIOS:

There was no significant change i.e. 25% or more in Interest Coverage Ratio, Current Ratio, Operating Profit Margin and Debt Equity Ratio. However, there was significant change in the following Ratios as compared to immediately previous year ended 31st March 2019:

Ratios	Year ended 31/3/2020	Year ended 31/3/2019
Debtor Turnover Ratio	0.31	0.22
Inventory Turnover Ratio	0.35	0.26
Net Profit Margin	3.61%	7.13%
Return on Networth	4.53%	12.17%

The year ended 31st March, 2020 has been challenging and slowdown for the auto sector as well as the overall economy. The entire automotive value chain has been facing market headwinds, which was worsened by the nationwide lockdown due to COVID-19. In March, 2020 the unprecedented and unforeseeable adversity in the form of Covid-19 virus outbreak, which further worsened the challenging industry scenario. This pandemic has resulted in a significant slowdown in the overall economy impacting all business across the nation as well as of the world. Your company had been adversely affected by the slowdown in Auto sector and nationwide lockdown, which resulted in lesser turnover and decreased profit due to fixed expenses borne by the company. This caused increased Debtor Turnover Ratio, Inventory Turnover Ratio and fallen Net Profit Margin & Return on Networth.

RISKS AND CONCERNS

Like every business, the company faces risks, both internal and external, in the undertaking of its day-to-day operations and in pursuit of its longer-term objectives. A detailed policy drawn up and dedicated risk workshops are conducted for each business vertical and key support functions wherein risks are identified, assessed, analyzed and accepted / mitigated to an acceptable level within the risk appetite of the organization. The risk registers are also reviewed from time to time.

The Company faces the following Risks and Concerns:

Economy and Market Risk

The Company's growth is linked to that of the agricultural and automotive industry, which is cyclical in nature. The cyclical nature of the Indian commercial vehicle industry and tractor industry impacts the demand for related components. Since the automotive industry plays a major role in determining the economic growth, any slowdown in the overall economy would affect the commercial vehicle industry.

Credit Risk

To manage its credit exposure, Pritika has determined a credit policy with credit limit requests and approval procedures. Company does its own research of client's financial health and project prospects before bidding for a project. Timely and rigorous process is followed up with clients for payments as per schedule. The company has suitably streamlined the process to develop a focused and aggressive receivables management system to ensure timely collections.

Interest Rate Risk

The Company has judiciously managed the debt-equity ratio. It has been using a mix of loans and internal cash accruals. The Company has well managed the working capital to optimize the overall interest cost.

Contractual Risk

Pritika follows a meticulous process to evaluate the legal risks involved in a contract and ascertain its legal responsibilities under the applicable law of the contract. All the worst possible scenarios are considered and as a strategic priority with consultation from advisors, stringent terms are inserted to restrict liabilities to the maximum extent possible.

Competition Risk

Like in most other industries, growth opportunities lead to a rise in competition. We face different levels of competition, from domestic as well as multinational companies. Pritika has created strong differentiators in project execution, quality and delivery which make it resilient to competition. Furthermore, the Company continues to invest in technology and its people to maintain a competitive edge. A stable and long-standing client base comprising large and mid-sized companies further helps maintain a strong order book and insulate the Company from this risk. We also mitigate this risk with the quality of our infrastructure, our customer-centric approach and our ability to innovate customer specific solutions, focusing on pricing and aggressive marketing strategy, disciplined project executions, coupled with prudent financial and human resources management and better control over costs. Thus, we do not expect to be significantly affected by this risk.

Input Cost Risk

Our profitability and cost effectiveness may be affected due to change in the prices of raw materials, power and other input costs. Some of these risks that are potentially significant in nature and need careful monitoring are raw material prices, and availability of power, among others.

Liability Risk

This risk refers to our liability arising from any damage to cargo, equipment, life and third parties which may adversely affect our business. The Company attempts to mitigate this risk through contractual obligations and insurance policies.

OPPORTUNITIES

- **Increasing mechanization in agriculture:** With the agriculture sector witnessing significant technology enhancements, the demand for higher efficiency tractors and farm equipment is likely to increase in India as well as globally. Adoption of such equipment over traditional farming methodologies in rural parts of the country would benefit ancillary companies catering to this sector, such as Pritika.
- **Support from Government Policies:**
 - Government's aim to double farmer's income by 2022 would boost demand for tractors.
 - 100% FDI allowed under automatic route for auto component sector
 - Establishment of special auto parks & virtual SEZs for auto components.
 - Lower duties on specific parts of hybrid vehicles.
 - Policies such as Automotive Mission Plan 2016-26, Faster Adoption & Manufacturing of Electric Hybrid Vehicles (FAME, April 2015), NMEM 2020, likely to infuse growth in the auto component sector of the country.
 - Allocation of increased financial support for the agriculture industry in the Union Budget 2020-21
- **Investments:**
 - Foreign investments in the automotive sector totaled USD 22.35 billion during 2000-19.
 - With the launch of 'Make in India' initiative, the government is expected to mobilize substantial investments in the auto component sector.
 - The auto components sector is expected to witness investments up to USD 4.5 billion for upgradation of products and keeping up with new industry regulations.
- **Export Advantage:** India is a leading auto exporter and has strong near-term export growth expectations. As per Automobile Component Manufacturers Association (ACMA) forecasts, automobile component exports from India are expected to reach USD 70 billion by 2026 from USD 10.9 billion in FY17. The Indian auto component industry aims to achieve USD 200 billion in revenues by 2026.
- The last year's Union Budget increased duties of customs on imports of Auto Parts, which is expected to boost domestic manufacturing.
- Reduction of corporate tax for companies was announced in the Union Budget 2020.

Source: IBEF, <https://www.ibef.org/industry/autocomponents-india.aspx>
<https://www.ibef.org/download/Auto-Components-Report-Feb-2018.pdf>

THREATS

- Competition from domestic and multinational players
- Regulatory changes impacting the automotive and agricultural sectors
- Unfavourable volatility in labour and raw material costs
- Attraction and retention of skilled human capital
- Risk from unforeseen impediments in execution
- Market-wide slowdown in the agriculture sector

INTERNAL CONTROL SYSTEMS AND ADEQUACY

For the purposes of effective internal financial control, Pritika has adopted various policies and procedures to ensure orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information.

There has not been any significant change in such control systems. The control systems are reviewed by the management regularly. The same are also reviewed by the Statutory Auditors and Internal Auditors from time to time. Additionally, the Company has adopted various policies and procedures to safeguard its interest. These policies and procedures are reviewed from time to time. A proper reporting mechanism has been implemented in the organization for reporting any deviation from the policies and procedures. Compliance audit is conducted from time to time by external agencies on various areas of operations.

HUMAN RESOURCES

Pritika has Human Relations and Industrial Relations policies in force. These are reviewed and updated regularly in line with the Company's strategic plans. The human relations team continually conducts training programs for talent development. The Company aims to develop the potential of every individual associated with it as a part of its business goal. Pritika leverages a mix of experienced as well as young talent to drive growth.

The company values its human resources as the principal drivers of change. The Company focuses on providing individual development and growth in a work culture that encourages team work and high performance.

As on March 31, 2020, the Company had a workforce of 855 (permanent and contractual).

OUTLOOK

The tractors (and corresponding ancillary sub-sectors) industry is expected to remain flattish in the next year, recovering gradually from the industry-wide slowdown in the automotive sector. A normal/good monsoon, increased focus on infrastructure spending, and continuing favorable government policies should help the market regain momentum. The long term outlook remains positive for the automotive industry with all major global players having a base in India for engineering, manufacturing and global sourcing. New product launches by OEMs, driven by technological advancements and rising demand, is likely to bode well for overall industry growth. The new emission norms are also likely to boost new manufacturing, thereby spurring demand for components. India now supplies a range of high-value and critical automotive components to the global auto market.

Pritika is well positioned to capture new opportunities as they arise in the domestic as well as international markets. The Company's access to the US market would reduce its dependency on the domestic market, and help improve performance. Pritika's long-standing relationships with its clients demonstrates the continued faith the OEMs have in the Company's expertise and capability.

The Company continues to strive to improve utilization of its existing capacity and remains open to expand total installed capacity, based on the needs of the market. Margins would likely improve once capacity utilization recovers, supported by export opportunities, high-margin product mix and better operating efficiencies.

The industry slowdown this year gave us the opportunity to further improve internal efficiencies so that we are poised to capitalize on the market recovery going ahead. The growth potential for the Indian auto component industry is tremendous and the Company is well positioned to leverage these opportunities.

Road Ahead

The transport industry is making a gradual shift towards electric and hybrid cars, which are deemed more efficient and environment-friendly modes of transportation. Over the next decade, this is likely to give rise to newer verticals and opportunities for auto-component manufacturers, who would need to adapt to this change with R&D and product innovation.

The Indian auto-components industry is expected to become the third largest in the world by 2025. Consequently, strong export opportunities in the coming years would open up more avenues for Indian auto-component makers. We are optimistic about more export orders in the coming year, and the possibility of adding new clients.

INDEPENDENT AUDITOR’S REPORT
To The Members of
PRITIKA AUTO INDUSTRIESLIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of **PRITIKA AUTO INDUSTRIES LIMITED** (“the Company”), which comprise the Balance Sheet as at 31stMarch 2020, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, statement of Changes in Equity and statement of cash flows for the year then ended and notes to the standalone Ind AS financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as ‘standalone Ind AS financial statements’).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended (‘the Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31st March 2020, and its profit including other comprehensive Income, cash flows and change in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind As financial statements in accordance with the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended 31 March 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the ‘Auditors’ responsibilities for the audit of the standalone Ind AS financial statements’ section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key Audit matters	How our audit addressed the key audit matter
Impact of Covid-19 on the Company’s Financial Statements	As described in note 42 of Standalone Ind AS financial Statements
Coronavirus disease 2019 (‘COVID-19’), was declared a global pandemic by World Health Organization.	We have performed the following procedures to assess and evaluate the impact on financial statements because of business decisions, government actions or economic environment developments:
In line with the directions on lockdown issued by the State Governments of Punjab and Himachal	

<p>Pradesh, the Company temporarily suspended the operations of its manufacturing units at two locations from 23 March 2020 till 31 March 2020; and subsequently upto further dates as instructed by the respective State Governments.</p> <p>COVID-19 has resulted in restriction in movement of goods during the period from 23 March 2020 till 31 March 2020 impacting normal business operations for the Company including revenues, receivables, purchases including services and inventories at the year-end and hence considered key audit matter.</p>	<p>Performed cut-off procedures for a larger sample of invoices during the lockdown period for domestic sales.</p> <p>Enquired with the Company on the manner of financial support (if any) provided to the dealers, vendors and service providers, and their recognition in the financial statements.</p> <p>Enquired with the Company on any information on the liquidity position of any dealers; and ascertained the need for any additional provisioning for impairment/credit loss in the financial statements.</p> <p>We assessed the disclosures on COVID-19 made in the financial statements.</p> <p>Our ability to perform regular audit procedures has been impacted which has required us in certain cases to perform alternative audit procedures and exercise significant judgment in respect of the following:</p> <p>a) Year-end inventory observation of inventory counts could not be performed. However, inventory counts were observed subsequent to year-end; and rolled back to year-end.</p>
---	---

We have determined that there are no other key audit matters to communicate in our report.

Other Information

The company's Board of Directors is responsible for the other information. The other information comprises the information included in company's annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind As financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind As financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matter stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive loss, changes in equity and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern

and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As Part of an audit in accordance with Standard on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2016 ("the Order) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 1**, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive Income, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of written representations received from the directors as on 31st March 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020, from being appointed as a director in terms of section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate report in "**Annexure 2**" to this report;
 - g. In our opinion, the managerial remuneration for the year ended 31st March, 2020 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its standalone Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no items which required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure –1 TO INDEPENDENT AUDITORS' REPORT

(Annexure referred to in our report of even date to the members of Pritika Auto Industries Limited, on the Standalone Ind AS Financial Statements for the year ended 31st March 2020).

Based on the audit procedures performed for the purpose of reporting a true and fair view on the Standalone Ind AS financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property plant and equipment.

(b) All Property plant and equipment have not been physically verified by the management during the year but there is regular programme of verification which in our opinion is reasonable having regard to the size of the company and nature of its assets. To the best of our knowledge, no material discrepancies have been noticed on such verification

(c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising one immovable property is not held in the name of the Company as at the balance sheet date. The above immovable property is held by the company as ultimate beneficial owner and change of name in title deeds is under process as on balance sheet date.
- ii) As explained to us, the management has physically verified the inventories at reasonable intervals. In our opinion, the frequency of verification is reasonable. The discrepancies noticed during physical verification of inventories as compared to book records were not material and the same have been properly dealt with in the books of account.
- iii) (a) The Company has granted loan to a wholly owned subsidiary company covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of such loans are not prejudicial to the company's interest.

(b) The schedule of repayment of principal and interest have been stipulated for the loans granted and the repayments if any are regular.

(c) There are no amount of loans granted to companies, firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013 overdue for more than ninety days.
- iv) In our opinion and according to the information and explanations given to us, provisions of section 185 and 186 of the Companies Act 2013 in respect of loans and advances given, investments made and, guarantees, and securities given, have been complied with by the company.
- v) According to the information given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 or any relevant provisions of the Companies Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) from time to time. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub section (1) of Section 148 of the Companies Act, 2013 in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, Goods & Service Tax, cess and other statutory dues have generally been regularly deposited though minor delays with the

appropriate authorities as on 31st March, 2020 except Income Tax Demand which is outstanding for a period of more than six months from the date they became payable.

Name of Dues and Name of Statute	Year to which amount relates	Forum where matter is pending	Amount in Rs.
Income Tax Income Tax Act,1961	FY 2017-18	CPC	Rs. 1,84,550

(b) According to the information and explanations given to us, there are no material dues in respects of wealth tax, duty of custom and goods & Service tax wherever applicable to the company which have not been deposited with the appropriate authorities on account of any dispute. The due in respect of Income Tax that have not been deposited with the appropriate authorities on account of any dispute and the forum where the dispute is pending given below:

Name of Dues and Name of Statute	Year to which amount relates	Forum where matter is pending	Amount in Rs.
Income Tax Income Tax Act,1961	FY 2016-17	CIT (Appeals)	Rs. 14,37,160
Income Tax Income Tax Act,1961	FY 2015-16	Assessing officer	Rs.23,640
Income Tax Income Tax Act,1961	FY 2017-18	CPC	Rs. 9,74,360
Income Tax Income Tax Act,1961	FY 2017-18	Assessing officer	Rs. 18,66,020

- viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank or Government. The Company did not have any outstanding debentures during the year.
- ix) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments). In our opinion, and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were raised, other than temporary deployment pending litigation.
- x) According to the information and explanation given to us and as represented by the management and based of our examination of the books and records of the company and in accordance with the generally accepted auditing practices in India, we have been informed that no case of frauds has been committed on or by the company or by its officers or employees during the year.
- xi) In our opinion and according to the information and explanations given to us, the company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Companies Act, 2013.
- xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of the Act, and where applicable the details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
- xiv) According to the information and explanations given to us and on an overall examination of the Balance Sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3(xiv) of the Order are not applicable to the Company and hence not commented upon.

xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him as covered under section 192 of the Companies Act, 2013. Accordingly, paragraph 3(xv) of the Order is not applicable.

xvi) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable.

Annexure –2 TO INDEPENDENT AUDITORS’ REPORT

(Annexure referred to in our report of even date to the members of Pritika Auto Industries Limited, on the Standalone Ind AS Financial Statements for the year ended 31st March 2020).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **PRITIKA AUTO INDUSTRIES LIMITED** (“the Company”) as of 31st March 2020 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to these standalone Ind AS financial statements

A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of

the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

STANDALONE STATEMENT OF CASH FLOW FOR THE YEAR ENDED MARCH 31, 2020

(Amount in INR Lacs)

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
CASH FLOW FROM OPERATING ACTIVITIES		
Net Profit before tax as per statement of Profit & Loss	750.79	1,754.03
Adjustments for:		
- Depreciation and amortisation expense	677.24	582.13
- Finance costs	587.74	696.49
- Creditors balance written back	(0.18)	(38.93)
- Gratuity / Leave encashment provision	46.84	6.78
- Earned leave written back	-	(2.38)
- Profit on Sale of Fixed Assets	-	(8.47)
Operating profit before working capital changes	2,062.43	2,989.65
Adjustments for :		
Increase/(Decrease) in Trade Payables	(250.89)	50.51
Increase/(Decrease) in Other Current Liabilities	70.90	274.90
Increase/(Decrease) in Short Term Provisions	9.46	1.69
(Increase) / Decrease in Trade Receivables	(229.52)	(592.36)
(Increase) / Decrease in Inventories	(159.08)	(286.33)
(Increase) / Decrease in Short Term Advances	(49.89)	115.41
(Increase) / Decrease in Other Current Assets	245.43	(611.60)
Cash generated from operations	1,698.84	1,941.87
Taxes paid	(396.42)	(522.63)
Net Cash from Operating Activities	1,302.42	1,419.24
B CASH FLOW FROM INVESTING ACTIVITIES		
Purchase of Property, Plant & Equipment	(1,254.48)	(1,568.22)
Sale of Property, Plant & Equipment	-	33.82
Movement in fixed deposits (having original maturity of more than three months)	(0.61)	(12.58)
Increase in Investment	(140.63)	(49.99)
Investment in Mutual fund	-	(22.00)
Net Cash used in Investing Activities	(1,395.72)	(1,618.97)
C CASH FLOW FROM FINANCING ACTIVITIES		
Long Term Loans Raised (Net)	(55.34)	267.53
Short Term Loans Raised	818.32	(272.73)
Increase in Share Capital	-	17.50
Proceed from issue of Share Warrant	-	287.50
Share premium	-	332.50
Interest Paid	(587.74)	(696.49)
Net Cash from Financing Activities	175.24	(64.19)
Net Increase/(Decrease) in Cash and Cash Equivalents	81.94	(263.92)
Cash and Cash Equivalents at the beginning of the year	47.85	311.77
Cash and Cash Equivalents at the end of the year	129.79	47.85

Notes:

- 1.) The above Cash Flow Statement has been prepared under the indirect method set out in IND AS - 07 "Statement of Cash Flow".
- 2.) Figures in bracket indicates cash outflow

* Note : In view of scheme of amalgamation approved by the honourable NCLT, Chandigarh bench, the Authorised Capital of the transferor co's namely Pritika Autocast Limited. (INR 14 cr.) and Nibbet Casting Private Limited (INR 2.50 Cr.) has been merged / Consolidated With the Authorised Capital of Pritika Auto Industries Limited (transferee co.) in last year.

Note No. 1: Notes To The Financial Statement

1 GENERAL INFORMATION

Pritika Auto Industries Limited (" the Company ") a Listed company domiciled in India was incorporated on 11.04.1980 and is engaged in the manufacturing of tractor and automobile components .Its Shares are listed with Bombay Stock Exchange (BSE) . Information on related party relationships of the Company is provided in Note no.35 .The financial statements were approved for issue by the board of directors on June 29,2020.

Note No. 2 : SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements

These Standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.Upto the year ended March , 31, 2017 , the Company prepared its financial statements in accordance with the requirements of previous GAAP , which includes Standards notified under Section 133 of the Companies Act , 2013 read together with paragraph 7 of the Companies (Accounts) Rules , 2014 .The Financial statements have been prepared on a historical cost basis , except certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments) . The Financial statements are presented in Indian Rupees(INR) and all values are recorded to the nearest Lakhs except otherwise indicated .

2.2 Summary of Significant Accounting Policies

2.2.1 Current versus non - current classification

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the schedule III to the Companies Act , 2013 . Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents , the Company has determined its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non - current assets and liabilities. The Operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents . The Company has identified twelve months as its operating cycle .

2.2.2 Property, Plant and Equipment (PPE)

On adoption of Ind AS, the Company retained the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and used that as its deemed cost as permitted by Ind AS 101'First-time Adoption of Indian Accounting Standards'.

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight- line method ("SLM"). Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the revised useful lives of the assets reflect the periods over which these assets are expected to be used, which are as follows:

Asset Useful live	
Buildings including factory buildings	30 years
General Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Computers /servers and Network	3/6 Years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

2.2.3 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss. The Company amortises intangible assets with a finite useful life using the straight-line method over the following range of useful lives:

Asset Useful life

Computer software 3 years

The estimated useful life is reviewed annually by the management.

2.2.4 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

2.2.5 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

2.2.6 Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

2.2.7 Financial Assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income. Financial instruments (unquoted instruments) subsequent measurement are done through fair value through other comprehensive income (FVTOCI)

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Re classification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For Financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent.

Off setting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balancesheet if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis , to realise the assets and settle the liabilities simultaneously .

Financial assets (other than at fair value)

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

2.2.8 Impairment

PPE and intangibles assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

2.2.9 Inventories

Inventories are valued at lower of cost (First in First out) and net realisable value after providing for obsolescence and other losses,where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including all taxes and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and net off recoverable taxes incurred in bringing them to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.2.10 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, net of taxes or duties collected on behalf of the government.

However, sales tax/ value added tax (VAT)/Goods and Service tax (GST) is not received by the company on its own account. Rather, it is tax collected on value added to the commodity/services by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest Income

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

Dividend

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of inc ome can be measured reliably).

Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.2.11 Operating leases including investment properties

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

a) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

b) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments primarily comprise of fixed payments.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

c) Short-term leases and leases of low value assets

The Company applies the short-term lease recognition exemption to its short-term leases of office spaces and certain equipment (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

As a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

2.2.12 Employee benefit expenses

Employee benefits consist of contribution to provident fund, superannuation fund, gratuity fund and compensated absences.

(i) Post-employment benefit plans

Defined Contribution plans

Payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund are charged as an expense as they fall due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made. The Company also makes contribution towards provident fund, in substance a defined contribution retirement benefit plan for qualifying employees. The provident fund is deposited with the Provident Fund Commissioner which is recognized by the Income Tax authorities.

Defined benefit plans

The Company operates various defined benefit plans- gratuity fund and Compensated absence.

The liability or asset recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash outflows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest income / (expense) are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest income/ (expense) on the net defined benefit liability or as set is recognised in the Statement of Profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Short term employee benefit

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

2.2.13 Borrowing cost

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All the other borrowing costs are recognised in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.

2.2.14 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.2.15 Accounting of provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

2.2.16 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2.2.17 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent assets are only disclosed when it is probable that the economic benefits will flow to the entity.

2.2.18 Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued on 28 March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The Company adopted Ind AS 115 using the modified retrospective method of adoption. The change did not have a material impact on the financial statements of the Company.

2.2.19 Government Grants

Government Grants are recognised only when there is reasonable assurance that the company will comply with the condition attaching to them and the grants will be received.

Government grants are recognised in profit & loss on a systematic basis over the periods in which the company recognise as expenses the related cost of which the grant are intended to compensate.

2.2.20 Foreign currencies and operations

i. Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency. All amounts have been rounded off to the nearest lacs, unless otherwise stated.

ii. Foreign currency transactions and balances

Foreign currency transactions are recorded in the functional currency (Indian Rupee) by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency on the date of the transaction (spot exchange rate).

All monetary items denominated in foreign currency are converted into Indian Rupees at the year-end exchange rate. The exchange differences arising on such conversion and on settlement of the transactions are recognised in the statement of profit and loss.

Non-monetary items in terms of historical cost denominated in a foreign currency are reported using the exchange rate prevailing on the date of the transaction.

3. Property, Plant and Equipment

33 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following data reflects the inputs to calculation of basic and diluted EPS

Particulars	For the Year ended March 31, 2020	For the Year ended March 31, 2019
Net Profit after tax attributable to equity share holders	544.07	1,404.57
	544.07	1,404.57
Weighted average no of equity shares outstanding during the year- for Basic EPS	177.35	175.93
Face value of Equity Share (INR)	10.00	10.00
Basic EPS	3.07	7.98
No of Equity Shares outstanding during the year - for Diluted EPS	178.78	176.20
Diluted EPS	3.04	7.97

Other Financial Liabilities	2,136.04	2,216.49	2,136.04	2,216.49
Total	8,611.08	8,179.44	8,611.08	8,179.44

There are no assets and liabilities which have been carried at fair value through the profit and loss account.

There are no assets and liabilities which have been carried at fair value through the other comprehensive income except investment in shares and mutual fund.

The management assessed that cash and cash equivalents, trade receivables, trade payables, and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

38 Capital Management

The company manages its capital to ensure that entities in the Company will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the capital deployment.

The company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirement are met through equity and long-term/ short-term borrowings.

The company monitors the capital structure on the basis of total debt to equity ratio and maturity of the overall debt portfolio of the Company.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2020.

(in Lac's)

Particulars	As At March 31, 2020	As At March 31, 2019

40 The Scheme of Amalgamation (Scheme) under Section 230 and 232 and other applicable provisions of the Companies Act, 2013 between Pritika Autocast Limited , Nibber Castings Private limited (Transferor Companies) and Pritika Auto Industries Limited (Transferee Companies) has been approved by the National company Law Tribunal, Bench Chandigarh (NCLT) vide its order dated 06th February 2019 with April 1, 2017 as the appointed date. Upon filing of copy of order with the registrar of companies (ROC) on March 18, 2019, the scheme has become effective and the effect there of has been given in the accounts.

41 The Company adopted Ind AS 116 effective annual reporting beginning April 1, 2019. The Company applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognized on the date of initial application (April 1, 2019). Accordingly , the company did not restate comparative information , instead, the cumulative effect of initially applying this standard, recognized as an adjustment to the opening balance of retained earnings as on April 1 , 2019. On that date, the Company recognized a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognized at its carrying amount as if the Standard had been applied since the commencement date, but discounted using the lessee's incremental borrowing rate as at April 1, 2019. In accordance with the standard, the company will elect not to apply the requirements of Ind AS 116 to short-term leases and leases for which the underlying asset is of low value.

42 On account of outbreak of Pandemic Covid-19 , Government of India declared nation wide lockdown vide order No.40-3/2020 . Company temporarily suspended its operations commencing from March 23 ,2020 . The Company has made detailed assessment of its liquidity position to continue operations for next year and recoverability and carrying value of its assets comprising Inventory and Trade receivables . Based on the current indicators of future economic conditions , the company expects to recover the carrying amounts of these assets . The Company is in automobiles parts manufacturing business . The management has made detailed study of the possible effect of the pro-longed lockdown on its business prospects , both in terms of sales and profitability , and in its assessment , believes that the Company have minimal adverse impact . The Company will continue to closely monitor any material changes arising of future economic conditions and its impact on the business.

43 Foreign Exchange Earnings and Outgo

During the year , total inflows in foreign exchange were Rs. 60.36 lacs and total outflows in foreign exchange were Rs. 4.17 lacs .

44 Previous year's figures have been restated , rearranged and regrouped , wherever necessary .

INDEPENDENT AUDITOR’S REPORT
To The Members of
PRITIKA AUTO INDUSTRIES LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **PRITIKA AUTO INDUSTRIES LIMITED**(hereinafter referred to as the ‘Holding Company’) and its subsidiary (Holding Company and its subsidiary together referred to as “the Group”), which comprise the consolidated Balance Sheet as at 31stMarch 2020 and the consolidated Statement of Profit and Loss including other comprehensive income, Consolidated statement of Changes in Equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated Ind AS financial statements including a summary of significant accounting policies (hereinafter referred to as ‘the consolidated Ind AS financial statements’).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate financial statements and on the other financial information of the subsidiary , the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended (‘the Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the group as at 31st March 2020, and its consolidated profit including other comprehensive profit, consolidated cash flows and consolidated statement of change in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended 31 March 2020. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the ‘Auditors’ responsibilities for the audit of the consolidated Ind AS financial statements’ section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements.

The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key Audit matters	How our audit addressed the key audit matter
Impact of Covid-19 on the Holding Company’s Financial Statements	As described in note 42 of Consolidated Ind AS financial Statements
Coronavirus disease 2019 (‘COVID-19’), was declared a global pandemic by World Health Organization.	We have performed the following procedures to assess and evaluate the impact on financial statements because of business decisions, government actions or economic environment developments:
In line with the directions on lockdown issued	

<p>by the State Governments of Punjab and Himachal Pradesh, the Holding Company temporarily suspended the operations of its manufacturing units at two locations from 23 March 2020 till 31 March 2020; and subsequently upto further dates as instructed by the respective State Governments.</p> <p>COVID-19 has resulted in restriction in movement of goods during the period from 23 March 2020 till 31 March 2020 impacting normal business operations for the Holding Company including revenues, receivables, purchases including services and inventories at the year-end and hence considered key audit matter.</p>	<p>Performed cut-off procedures for a larger sample of invoices during the lockdown period for domestic sales.</p> <p>Enquired with the Holding Company on the manner of financial support (if any) provided to the dealers, vendors and service providers, and their recognition in the financial statements.</p> <p>Enquired with the Holding Company on any information on the liquidity position of any dealers; and ascertained the need for any additional provisioning for impairment/credit loss in the financial statements.</p> <p>We assessed the disclosures on COVID-19 made in the financial statements.</p> <p>Our ability to perform regular audit procedures has been impacted which has required us in certain cases to perform alternative audit procedures and exercise significant judgment in respect of the following: a) Year-end inventory observation of inventory counts could not be performed. However, inventory counts were observed subsequent to year-end; and rolled back to year-end.</p>
---	--

We have determined that there are no other key audit matters to communicate in our report.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in company's annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind As financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind As financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of

preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the company's financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As Part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities including in the Consolidated Ind AS financial statements of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit of financial statements of **One** subsidiary, whose Ind AS financial statements reflect total assets of Rs4134.39 lakhs as at 31st March, 2020 and the total revenue of Rs2167.84 lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statement has been audited by other auditor, which financial statement and auditors report has been furnished to us by the management. The consolidated Ind AS financial statements also include the Group's share of net profit of Rs13.76 lakhs for the year ended 31st March 2020, as considered in the consolidated Ind AS financial statements, in respect **One** subsidiary, whose financial statement has not been audited by us. These financial statement has been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of sub section (3) of section 143 of the Companies Act, 2013 in so far as it relates to the aforesaid subsidiary is based solely on the reports of the auditor.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements and the other financial information of subsidiary, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a. We/the other auditor whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including statement of Other Comprehensive Income, and the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d. In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended;
- e. On the basis of written representations received from the directors of the Holding Company as on 31st March 2020, and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company, none of the directors of the Group companies is disqualified as on 31st March 2020, from being appointed as a director in terms of section 164(2) of the Act.

- f. With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Holding company, refer to our separate report in “**Annexure 1**”; and
- g. In our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid / provided by the Holding Company to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditor on separate financial statements as also the other financial information of the subsidiary, as noted in the “Other matter” paragraph:
- i. There were no pending litigations which would impact the consolidated financial position of the group.
- ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There are no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company.

Annexure –1 TO INDEPENDENT AUDITORS’ REPORT

(Annexure referred to in our report of even date to the members of Pritika Auto Industries Limited, on the Consolidated Ind AS Financial Statements for the year ended 31st March 2020).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of **Pritika Auto Industries Limited** as of and for the year ended March 31, 2020. We have audited the internal financial controls over financial reporting of **PRITIKA AUTO INDUSTRIES LIMITED** (hereinafter referred to as the “Holding Company”) as of 31st March 2020.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Consolidated Financial Statements

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with Reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with Reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with Reference to these Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with Reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company have, maintained in all material respects, adequate internal financial controls over financial reporting with Reference to these Consolidated Financial Statements and such internal financial controls over financial reporting with Reference to these Consolidated Financial Statements were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India(ICAI).

CONSOLIDATED STATEMENT OF CASH FLOW FOR THE YEAR ENDED MARCH 31, 2020

(Amount in INR Lacs)

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
CASH FLOW FROM OPERATING ACTIVITIES		
Net Profit before tax as per statement of Profit & Loss	765.95	1,763.89
Adjustments for:		
- Depreciation and amortisation expense	755.42	633.35
- Finance costs	726.61	785.27
- Gratuity / Leave encashment Provision	46.84	6.32
- Creditors balance written back	(0.18)	(38.93)
- Profit on Sale of Fixed Assets	-	(8.47)
Operating profit before working capital changes	2,294.64	3,141.43
Adjustments for :		
Increase/(Decrease) in Trade Payables	(281.20)	283.92
Increase/(Decrease) in Other Current Liabilities	(8.13)	789.26
Increase/(Decrease) in Short Term Provisions	9.46	(10.34)
(Increase) / Decrease in Trade Receivables	102.81	(972.99)
(Increase) / Decrease in Inventories	(217.78)	(783.37)
(Increase) / Decrease in Short Term Advances	57.41	(61.59)
(Increase) / Decrease in Other Current Assets	352.39	953.21
Cash generated from operations	2,309.60	3,339.53
Taxes paid	(398.13)	(522.63)
Net Cash from Operating Activities	1,911.47	2,816.90
B CASH FLOW FROM INVESTING ACTIVITIES		
Purchase of Property, Plant & Equipment	(1,653.02)	(3,944.41)
Sale of Property, Plant & Equipment	-	33.82
Movement in fixed deposits (having original maturity of more than three months)	(3.12)	(53.93)
Increase in investment in shares	(281.26)	
Increase in other non current investments	-	(22.00)
Net Cash used in Investing Activities	(1,937.40)	(3,986.52)
C CASH FLOW FROM FINANCING ACTIVITIES		
Long Term Loans Raised (Net)	(98.30)	1,005.54
Short Term Loans Raised	930.51	(82.10)
Increase in Share Capital	-	17.50
Proceed from issue of share warrant	-	287.50
Share premium	-	332.50
Interest Paid	(726.61)	(785.27)
Net Cash from Financing Activities	105.60	775.67
Net Increase/(Decrease) in Cash and Cash Equivalents	79.67	(393.95)
Cash and Cash Equivalents at the beginning of the year	52.97	446.92
Cash and Cash Equivalents at the end of the year	132.64	52.97

Notes:

- 1.) The above Cash Flow Statement has been prepared under the indirect method set out in IND AS - 07 "Statement of Cash Flow".
- 2.) Figures in bracket indicates cash outflow

* Note : In view of scheme of amalgamation approved by the honourable NCLT, Chandigarh bench, the Authorised Capital of the transferor co's namely Pritika Autocast Limited. (INR 14 cr.) and Nibber Casting Private Limited (INR 2.50 Cr.) has been merged / Consolidated With the Authorised Capital of Pritika Auto Industries Limited (transferee co.) in last year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Note No. 1: Notes To The Financial Statement

1 GENERAL INFORMATION

Pritika Auto Industries Limited (" the Company ") a Listed company domiciled in India was incorporated on 11.04.1980 and is engaged in the manufacturing of tractor and automobile components .The financial statements were approved for issue by the board of directors on June 29,2020.

Note No. 2 : SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS')as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.Upto the year ended March , 31, 2017 , the Company prepared its financial statements in accordance with the requirements of previous GAAP , which includes Standards notified under Section 133 of the Companies Act , 2013 read together with paragraph 7 of the Companies (Accounts) Rules , 2014 .

The subsidiary companies considered in these consolidated financial statements are as follows:

Name of the Company	Proportion of Ownership
Pritika Engineering Components Private Limited	Wholly owned Subsidiary

2.2 Principles of consolidation:

The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiaries line-by-line basis by adding together like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and any unrealized profits/ losses unless the transaction provides evidence of an impairment of the transferred asset.

2.3 Summary of Significant Accounting Policies

2.3.1 Current versus non - current classification

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the schedule III to the Companies Act , 2013 . Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents , the Company has determined its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities.

2.3.2 Property, Plant and Equipment (PPE)

On adoption of Ind AS, the Company retained the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and used that as its deemed cost as permitted by Ind AS 101 'First-time Adoption of Indian Accounting Standards'.

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight- line method ("SLM"). Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the revised useful lives of the assets reflect the periods over which these assets are expected to be used, which are as follows:

Asset Useful live	
Buildings including factory buildings	30 years
General Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Computers /servers and Network	3/6 Years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

2.3.3 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss.The Company amortises intangible assets with a finite useful life using the straight-line method over the following range of useful lives:

Asset Useful life	
Computer software	3 years

The estimated useful life is reviewed annually by the management.

2.3.4 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

2.3.5 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

2.3.6 Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

2.3.7 Financial Assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income. Financial instruments (unquoted instruments) subsequent measurement are done through fair value through other comprehensive income (FVTOCI)

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

2.3.8 Impairment

Financial assets (other than at fair value)

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

PPE and intangibles assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

2.3.9 Inventories

Inventories are valued at lower of cost (First in First out) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including all taxes and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and net off recoverable taxes incurred in bringing them to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.3.10 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, net of taxes or duties collected on behalf of the government.

However, sales tax/ value added tax (VAT)/Goods and Service tax (GST) is not received by the company on its own account. Rather, it is tax collected on value added to the commodity/services by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest Income

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

Dividend

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.3.11 Operating leases including investment properties

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

a) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

b) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments primarily comprise of fixed payments.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

c) Short-term leases and leases of low value assets

The Company applies the short-term lease recognition exemption to its short-term leases of office spaces and certain equipment (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

As a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

2.3.12 Employee benefit expenses

Employee benefits consist of contribution to provident fund, superannuation fund, gratuity fund and compensated absences.

(i) Post-employment benefit plans

Defined Contribution plans

Payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund are charged as an expense as they fall due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made.

The Company also makes contribution towards provident fund, in substance a defined contribution retirement benefit plan for qualifying employees. The provident fund is deposited with the Provident Fund Commissioner which is recognized by the Income Tax authorities.

Defined benefit plans

The Company operates various defined benefit plans- gratuity fund and Compensated absence.

The liability or asset recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the said obligation is determined by discounting the estimated future cash outflows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest income / (expense) are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest income/ (expense) on the net defined benefit liability or as set is recognised in the Statement of Profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Short term employee benefit

Compensated absences which accrue to employees and which can be carried to future periods but are expected to be encashed or availed in twelve months immediately following the year end are reported as expenses during the year in which the employees perform the services that the benefit covers and the liabilities are reported at the undiscounted amount of the benefits after deducting amounts already paid. Where there are restrictions on availment of encashment of such accrued benefit or where the availment or encashment is otherwise not expected to wholly occur in the next twelve months, the liability on account of the benefit is actuarially determined using the projected unit credit method.

2.3.13 Borrowing cost

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All the other borrowing costs are recognised in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.

2.3.14 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.3.15 Accounting of provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

2.3.16 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2.3.17 Government Grants

Government Grants are recognised only when there is reasonable assurance that the company will comply with the condition attaching to them and the grants will be received.

Government grants are recognised in profit & loss on a systematic basis over the periods in which the company recognises as expenses the related cost of which the grant are intended to compensate.

2.3.18 Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued on 28 March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers.

The Company adopted Ind AS 115 using the modified retrospective method of adoption. The change did not have a material impact on the financial statements of the Company.

2.3.19 Foreign currencies and operations

i. Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency. All amounts have been rounded off to the nearest lacs, unless otherwise stated.

ii. Foreign currency transactions and balances

Foreign currency transactions are recorded in the functional currency (Indian Rupee) by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency on the date of the transaction (spot exchange rate).

All monetary items denominated in foreign currency are converted into Indian Rupees at the year-end exchange rate. The exchange differences arising on such conversion and on settlement of the transactions are recognised in the statement of profit and loss.

Non-monetary items in terms of historical cost denominated in a foreign currency are reported using the exchange rate prevailing on the date of the transaction.

3. Property, Plant and Equipment

(All amounts in Lacs)

Financial liabilities				
Borrowings	6,412.63	5,580.41	6,412.63	5,580.41
Trade Payables	1,715.38	1,996.59	1,715.38	1,996.59
Other Financial Liabilities	2,511.10	2,686.67	2,511.10	2,686.67
Total	10,639.11	10,263.67	10,639.11	10,263.67

There are no assets and liabilities which have been carried at fair value through the profit and loss account.

There are no assets and liabilities which have been carried at fair value through the other comprehensive income except investments in shares and mutual fund.

The management assessed that cash and cash equivalents, trade receivables, trade payables, and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

38 **Capital Management**

The company manages its capital to ensure that entities in the Company will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the capital deployment.

The company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirement are met through equity and long-term/ short-term borrowings.

The company monitors the capital structure on the basis of total debt to equity ratio and maturity of the overall debt portfolio of the Company.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2020.

Particulars	As At March 31, 2020	As At March 31, 2019
Debt	6,732.19	6,092.20
Less: cash and cash equivalents	(264.74)	(181.95)

Guarantees issued by Banks	193.21	123.21

40 The Scheme of Amalgamation (Scheme) under Section 230 and 232 and other applicable provisions of the Companies Act, 2013 between Pritika Autocast Limited, Nibber Castings Private limited (Transferor Companies) and Pritika Auto Industries Limited (Transferee Companies) has been approved by the National company Law Tribunal, Bench Chandigarh (NCLT) vide its order dated 06th February 2019 with April 1, 2017 as the appointed date. Upon filing of copy of order with the registrar of companies (ROC) on March 18, 2019, the scheme has become effective and the effect thereof has been given in the accounts.

41 The Company adopted Ind AS 116 effective annual reporting beginning April 1, 2019. The Company applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognized on the date of initial application (April 1, 2019). Accordingly, the company did not restate comparative information, instead, the cumulative effect of initially applying this standard, recognized as an adjustment to the opening balance of retained earnings as on April 1, 2019. On that date, the Company recognized a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognized at its carrying amount as if the Standard had been applied since the commencement date, but discounted using the lessee's incremental borrowing rate as at April 1, 2019. In accordance with the standard, the company will elect not to apply the requirements of Ind AS 116 to short-term leases and leases for which the underlying asset is of low value.

42 On account of outbreak of Pandemic Covid-19, Government of India declared nation wide lockdown vide order No.40-3/2020. Company temporarily suspended its operations commencing from March 23, 2020. The Company has made detailed assessment of its liquidity position to continue operations for next year and recoverability and carrying value of its assets comprising Inventory and Trade receivables. Based on the current indicators of future economic conditions, the company expects to recover the carrying amounts of these assets. The Company is in automobiles parts manufacturing business. The management has made detailed study of the possible effect of the pro-longed lockdown on its business prospects, both in terms of sales and profitability, and in its assessment, believes that the Company have minimal adverse impact. The Company will continue to closely monitor any material changes arising of future economic conditions and its impact on the business.

43 **Foreign Exchange Earnings and outgo**

During the year, total inflows in foreign exchange were Rs. 60.36 lacs and total outflows in foreign exchange were Rs. 4.17 lacs.

44 The amounts and disclosures included in the financial statements of the previous year have been reclassified and regrouped wherever necessary.
